

Additional coverage details

Coverage begins following premium payment. Your coverage will take effect on the first day of the month following the date Delta Dental of Minnesota receives your application and initial premium. The initial coverage period is for 12 months, regardless of the terms, conditions and coverage period of your medical plan. Delta Dental guarantees not to change your premiums during those 12 months, and you agree to pay premiums on time for those 12 months. Your effective dental coverage date may or may not coincide with your medical coverage date. Only dental treatments begun and completed while coverage is in force are eligible for benefits.

Cancellation. You may purchase the dental plan only at the time you purchase or renew the Options Blue medical plan. You may cancel the Delta Dental plan at its renewal date without cancelling the medical plan; however, once dental coverage is cancelled, you cannot re-enroll for two years.

You'll find complete details in the Delta Dental Benefit Plan Summary. This brochure is intended to provide a convenient overview of coverage and is not intended to be a complete description. Only those services and supplies specifically listed in the Delta Dental Benefit Plan Summary are covered under the plan, regardless of dental necessity. Please note that treatment for a missing tooth is not immediately covered under this plan.

The Delta Dental Benefit Plan Summary is your source for complete information, including the specific dental treatments that are covered, the frequency with which those treatments are covered, benefit amounts, limitations, exclusions and conditions under which coverage may remain in force. Exclusions and limitations are also available at www.deltadentalmn.org.

You will receive the Delta Dental Benefit Plan Summary with your welcome package. If you decide this coverage is not for you, simply let us know in writing within 10 days of receiving the Summary. We will then promptly refund your paid premium, minus any paid claims. You will not be eligible to re-enroll for two years.
