Delta Dental of Minnesota Announces Redesigned Web Site

New site, which offers a wide variety of resources, now allows for easier navigation

April 2, 2007 (EAGAN, Minn.) – Delta Dental of Minnesota recently launched its redesigned Web site, www.deltadentalmn.org. The new Web site, which is designed to comply with the Delta Dental Plans Association’s new brand guidelines, is easier to navigate and continues to offer a wide variety of resources and interactive tools for subscribers, groups, brokers and dentists.

“The redesigned Web site is geared towards helping groups and subscribers better manage their dental benefits through easy-to-use, highly secure online tools,” said Dimitri Senaratna, director of communications, Delta Dental of Minnesota. “Whether you are a small group that wants to manage your group’s enrollment, a large group that wants access to a library of easy-to-read oral health education pieces or a subscriber that wants to order extra ID cards or look up claims history, it can be done through our Web site, which is equipped with the latest security technology.”

Other online tools for subscribers include Benefits Inquiry, Coverage Summary and Dentist Search. Employers also have access to billing reports online, while brokers have access to an easy-to-use interactive Rate Calculator to generate quotes. Participating Delta Dental dentists have access to many of the secure subscriber tools to help dentists verify patient’s coverage effective dates, plan information, as well as view claim status and detailed claims information.

To check out the new site, visit www.deltadentalmn.org.

About Delta Dental of Minnesota

An innovator in oral health benefit plans, Delta Dental of Minnesota is an independently operated, nonprofit dental services company that administers self-insured and prepaid dental service plans. Delta Dental serves more than 8,200 employer groups with more than 3.1 million subscribers in Minnesota and across the nation. Delta Dental of Minnesota is headquartered in Eagan, and has a customer service center on Minnesota’s Iron Range. For more information about Delta Dental of Minnesota, visit www.deltadentalmn.org.
