Planning a relaxing family vacation can be anything but relaxing. Planning how to pay for your dental bills, on the other hand, couldn't be more stress-free thanks to SingularDentalSM Options for AAA Minneapolis members.

SingularDentalSM Options is offered through a partnership of Delta Dental of Minnesota and AAA Minneapolis. We've mapped out the ideal dental plans exclusively for AAA Minneapolis members, starting at just **\$34.05** per month.

When does coverage begin?

Your coverage generally begins on the first day of the month following the date we receive your application, enrollment fee and initial premium. The initial coverage period is 12 months. You agree to pay premiums on time for 12 months. Only dental treatments you begin and complete while coverage is in force are eligible for benefits.

For complete details, consult the Dental Benefit Plan Summary.

Only those services and supplies specifically listed in the Summary are covered under the plan, regardless of dental necessity. The Summary includes complete information regarding covered treatments, treatment frequencies, limitations, exclusions and conditions under which coverage may remain in force. You'll receive the Summary with your welcome packet. If you decide this coverage is not for you, simply let us know within 10 days of receiving the Summary. We will promptly refund your paid premium and enrollment fee, and any claims incurred will not be paid.
