

Time is money, and you want to make the most of both.

Using our online broker rate calculator, it takes only a few minutes to enter group information and instantly receive a quote for our community-rated products. It saves you time and allows you to concentrate on the important things — serving your prospects and clients while building your business.

Benefits Include:

- **Faster quotes.** Online quoting is quicker than manually produced quotes.
- **Real-time updates.** You'll get the most up-to-date rates.
- **Easy-to-use technology.** The tool includes complete, easy-to-follow instructions.
- **Available around-the-clock.** Our brokers produce more than 4,000 quotes online a year — when it's convenient for them.

Other Web Site Features for Brokers

Commission Reports

Securely access your commission reports online, including the option to import a saved file to an Excel spreadsheet.

Marketing Materials

View product brochures, descriptions of covered services and more. You can also access informational newsletters, a broker administration manual and relevant forms.

Dentist Search

Search for participating dentists by location, dentist or clinic name.
