THE POWER OF SMILE®

The Benefits of the SingularDental Network

You'll enjoy greater cost savings when seeing a SingularDental Network provider. As noted in the benefit chart, you are responsible for any charges above the Maximum Allowable Fee when seeing an out-of-network dentist. The Maximum Allowable Fee is the maximum amount we reimburse for a given dental procedure. SingularDental Network dentists will not charge more than the Maximum Allowable Fee for preventive, diagnostic and basic restorative services. Out-of-network dentists are not obligated to limit the amount they charge; the member is responsible for paying any difference to the non-network dentist.

For example, when you receive a routine check-up from a SingularDental Network dentist, you incur no out-of-pocket cost. When you receive a routine check-up from a non-network dentist, you are likely to incur out-of-pocket costs. The reason is we will pay 100% of our Maximum Allowable Fee. If your non-network dentist charges more than that fee, you are responsible for paying your dentist the difference. Please review the SingularDental fee schedule for pricing details.
