

Schedule of Benefits – Orthodontic Discount Program

ORTHODONTIC SERVICES: Treatment necessary for the prevention and correction of malocclusion of the teeth and associated dental and facial disharmonies.

Orthodontic treatment using standard orthodontic techniques and appliances are covered for eligible enrollees when provided by an orthodontist participating in the Delta Dental Orthodontic Discount Program. Dependent children are eligible up to their 19th birthday. The employee and spouse have no age limitations.

Eligible enrollees are entitled to receive orthodontic treatment for a maximum payment of the fees listed below. These fees include orthodontic diagnostic records, active orthodontic treatment and appliances, one (1) set of retainers and up to twelve (12) months of follow-up visits after the active appliances are removed.

Limited Orthodontic Treatment – Not full treatment cases. Usually done for minor tooth movement.

Interceptive Orthodontic Treatment – A limited treatment phase used to prevent or assist in the severity of future treatment.

Comprehensive (Complete) Orthodontic Treatment – Full treatment includes all records, appliances and visits.
