

# Action Required:

## Confirm Online “Find a Dentist” Directory Information

Delta Dental of Minnesota

The Centers for Medicare and Medicaid Services (CMS) require providers contracted with Medicare plans to perform a quarterly review of their personal and practice information listed in the online “Find a Dentist” tool to ensure accuracy. Required information includes clinic address, contact information, hours of operations, languages spoken by providers, and acceptance of new patients.

- If you do not have any changes in your provider or clinic information, you do not need to take any action.
- If you have changes in your personal or clinic information, please complete the **data request form**

Ensuring your information is correct will assist our members in finding you; both when they use our Delta Dental “Find a Dentist” tool online and when they call customer service for assistance. Should you have any questions or require assistance, please contact us at 800-328-1188 (extension 4170). Thank you in advance for your time and consideration. We appreciate your ongoing partnership with Delta Dental of Minnesota to provide the best in oral health care to our members.
