PREMIUM CALCULATIONS AND PAYMENT

Premiums, the amount due for this policy, must be paid by you on a monthly basis, unless Delta Dental agrees to some other schedule of payment. The payment of any premium will keep the coverage in force to the next premium due date, subject to the Grace Period provision of the Policy.

Annual Benefit Coverage and Premium Review

Each year—on January 1—Delta Dental may make updates to our dental insurance plans to ensure they are compliant with the State of Minnesota and the Affordable Care Act as well as to meet business and changing market demands. This may include changes in the benefits or premium rates for the insurance coverage under this policy. If we make any changes, we must provide you with written notice of these changes at least 31 days prior to any change being in effect.

CONTRACT PROVISIONS

ENTIRE CONTRACT: This membership contract is your evidence of coverage, issued by Delta Dental of Minnesota. This contract, along with your enrollment form is the binding contract between you (the Subscriber) and Delta Dental. All statements made by you will be deemed representations and not warranties.

Because this is a contract, no one except an executive officer of Delta Dental has the authority to make or change this contract or to extend the time for payment of your premium. Changes to this contract will not be valid unless there is an endorsement or amendment signed by Delta Dental's President or a Senior Vice President and attached as an amendment to this contract. Any change that meets these requirements will be binding with you, the Subscriber, and for any other person(s) referred to in this policy.

GRACE PERIOD: A Grace Period of 90 days will be granted for the payment of premiums after the first premium. The coverage under this contract will continue in force during such Grace Period, but the Policyholder will be liable

for the premium for any period such coverage continues in force, provided written notice of termination has not been previously given to Delta Dental.

LEGAL ACTIONS: No action at law or in equity shall be brought to recover on this Contract prior to the expiration of 60 days after written proof of loss has been furnished in accordance with this Contract. No such action will be brought after the expiration of three years after written proof of loss is required to be furnished.

CONFORMITY TO LAW: Any provision of this Contract, which on its Effective Date, is in conflict with the laws of the state in which the Contract was delivered or issued for delivery, is considered amended to conform to the applicable requirements of such state.

CLERICAL ERROR: Clerical error by the Policyholder will not invalidate insurance otherwise validly in force nor continue insurance otherwise terminated.

CONTRACT TERM: This Contract continues until December 31 each year, so long as the premium is paid, subject to the Grace Period.

TERMINATION OR CANCELLATION OF POLICY: You may cancel this policy by contacting HealthCare.gov or by giving Delta Dental written or verbal notice of your intent to cancel. When contacting Delta Dental, the notice must be submitted to the address or phone number as stated on the back of your ID card or found in this Policy. When notice is given, the cancellation date can be effective as soon as the first of the following month.

Delta Dental reserves the right to terminate this policy effective at the end of the contract term in accordance with applicable law. Termination or cancellation of the policy will result in loss of benefits for all covered persons. If the policy is terminated or canceled, the rights of the covered persons are limited to covered expenses incurred before termination or cancellation.

REINSTATEMENT: If any renewal premium is not paid within the time granted to you for payment, a subsequent acceptance of premium by Delta Dental or by any agent duly authorized by Delta Dental to accept such premium, without requiring in connection therewith an application for reinstatement, shall reinstate the Policy.

PAYMENT OF CLAIMS: Indemnity for loss of life will be payable in accordance with the beneficiary designation and the provisions respecting such payment which may be prescribed herein and effective at the time of payment. If no such designation or provision is then effective, such indemnity shall be payable to the estate of the insured. DESCRIPTION OF COVERED PROCEDURES

Pretreatment Estimate

(Estimate of Benefits)

If a covered person's dental care involves major restorative, periodontic, prosthodontic, implant or orthodontic care, you or your dentist should consider getting a pre-treatment estimate from Delta Dental.

- While a pre-treatment estimate is recommended, it is not required.
- If you or your dentist request a pre-treatment estimate, you and your dentist will be informed of what benefits you have and if the treatment is a covered service via a pre-treatment estimate statement.
- The pre-treatment estimate statement will also outline amounts you will have to pay to the dentist, such as coinsurance, deductibles, and non-covered services.
- The pre-treatment estimate allows the dentist and you to make any necessary financial arrangements before your treatment begins.
- Please be aware that pre-treatment estimates do not prior authorize the treatment, nor determine its dental or medical necessity, except in the case of pediatric orthodontic treatment (see "Dental Necessity" below). The estimated payment is based on your current eligibility and contract benefits in effect at the time of the estimate.
- A pre-treatment estimate is an estimate only. Final payment will be based on the claim that is submitted once the treatment is completed. Submission of other claims, a change in eligibility, a change in coverage, or other coverage you have may alter the payment.

Dental Necessity

Delta Dental performs dental necessity reviews to determine whether a service submitted for payment or benefit under this Plan is a dental procedure that is dentally necessary to treat a specific condition or restore dentition for an individual. Dental services may be subject to pre-payment clinical review of dental records. It is Delta Dental's policy that a licensed dentist reviews claims where a dental necessity determination is made, and denies the oral health service where dental necessity has not been demonstrated. Denials based solely on coverage specifications, limitations, and exclusions under the enrollee's contract are not considered utilization review and not evaluated for dental necessity.

Delta Dental evaluates dental procedures submitted to determine if the procedure is a covered benefit under your dental plan. Your dental Plan includes a preset schedule of dental services that are eligible for benefit by the Plan. Your dentist may recommend or prescribe other dental care services that are not covered, are cosmetic in nature, or exceed the benefit frequencies of this plan. While these services may be necessary for your dental condition, they may not be covered by us. You are responsible for any costs that are not covered by the Plan or exceed the frequency of the Plan benefits do not imply that the service is or is not dentally necessary to treat your specific dental condition. You are responsible for dental services that are not covered or benefited by the Plan. The decision as to what dental care treatment is best for you is solely between you and your dentist.

EXCEPTION: Claims for pediatric orthodontic care will be reviewed to determine if the care is Dentally Necessary Orthodontic Care. See the "Orthodontic Care" section of this booklet for more information. If it is determined the care is not Dentally Necessary Orthodontic Care, it will not be covered.

Benefits

The Policy covers the following dental procedures when they are performed by a licensed dentist and when customary as determined by the standards of generally accepted dental practice. The benefits under this Policy shall be provided whether the dental procedures are performed by a duly licensed physician or a duly licensed dentist, if otherwise covered under this Policy, provided that such dental procedures can be lawfully performed

within the scope of a duly licensed dentist.

As a condition precedent to the approval of claim payments, Delta Dental shall be entitled to request and receive, to such extent as may be lawful, from any attending or examining dentist, or from hospitals in which a dentist's care is provided, such information and records relating to a Covered Person as may be required to pay claims. Also, Delta Dental may require that a Covered Person be examined by a dental consultant retained by Delta Dental in or near the Covered Person's place of residence. Delta Dental shall hold such information and records confidential.

To avoid any misunderstanding of benefit payment amounts, ask your dentist about his or her network participation status within the Delta Dental PPO™ and Delta Dental Premier® networks prior to receiving dental care.

Optional Treatment Options: In all cases in which there are alternative treatment plans carrying different costs, the decision as to which course of treatment to be followed shall be solely that of the covered person and the dentist. However, the benefits payable will be made only for the applicable percentage of the least costly commonly performed course of treatment, with the balance of the treatment cost remaining the payment responsibility of the covered person.

ONLY those services listed are covered. Deductibles and maximums are listed under the Summary of Dental Benefits. Services covered are subject to the limitations within the Benefits, Exclusions and Limitations sections described below. For estimates of covered services, please see the "Pretreatment Estimate" section of this booklet.

Effective Dates of Coverage

Your policy begins on the effective date, determined by the Exchange, for Qualified Individual who has made a QDP selection during the annual open enrollment period.

Effective dates for special enrollment period:

1. In the case of birth, adoption or placement for adoption, coverage is effective on the date of birth, adoption, or placement for adoption. Advance payments of the premium tax credit are not effective until the first day of the following month in which you provided notice, unless the birth, adoption, or placement for adoption occurs on the first day of the month; and
2. In the case of marriage, or in the case where a Qualified Individual loses his or her Minimum Essential Coverage, coverage is effective on the first day of the following month in which you provided notice.

Open Enrollment

As established by the rules of the Exchange, Qualified Individuals are only permitted to enroll in a Qualified Dental Plan (QDP), or as an enrollee to change QDPs, during the annual open enrollment period or a special enrollment period for which the Qualified Individual has experienced a qualifying event.

An annual open enrollment period is provided for Qualified Individuals and enrollees. Qualified Individuals may enroll in a QDP, and enrollees may change QDPs at that time according to rules established by the Exchange.

American Indians are authorized to move from one QDP to another QDP once per month.

Changes Affecting Eligibility and Special Enrollment

A special enrollment period is a period during which a Qualified Individual or enrollee who experiences certain qualifying events or changes in eligibility may enroll in, or change enrollment in, a QDP through the Exchange, outside of the annual open enrollment period.

If a Dependent is no longer eligible under the current policy due to a triggering event, they have the right to continue coverage as a new insured and to obtain a policy in their own name.

Length of special enrollment periods: Unless specifically stated otherwise, a Qualified Individual or enrollee has 60 calendar days from the date of a triggering event to select a QDP.

The Exchange must allow Qualified Individuals and enrollees to enroll in or change from one QDP to another as a result of the following triggering events:

A Qualified Individual or Dependent loses his or her Minimum Essential Coverage. The term Minimum Essential Coverage means any of the following: Government sponsored Policies; coverage under an eligible employer-sponsored plan; coverage under a health plan offered in the individual market within a state; coverage under a grandfathered health plan, and such other health benefits coverage, such as a state health benefits risk pool, or as the Secretary of HHS recognizes);

- A Qualified Individual gains a Dependent or becomes a Dependent through marriage, birth, adoption or placement for adoption;
- An Individual, not previously a citizen national, or lawfully present gains such status;
- A Qualified Individual's enrollment or non-enrollment in a QDP is unintentional, inadvertent, or erroneous and is the result of an error of the Exchange or the Department of Health and Human Services (HHS), or its instrumentalities as determined by the Exchange. In such cases, the Exchange may take such action as may be necessary to correct or eliminate the effects of such error;
- An enrollee demonstrates to the Exchange that the QDP in which he or she is enrolled substantially violated a material provision of its contract in relation to the enrollee;
- An individual is determined newly eligible or newly ineligible for Advance Payments of the Premium Tax Credit or has a change in eligibility for Cost-Sharing reductions, regardless of whether such individual is already enrolled in a QDP;
- The Exchange must permit individuals whose existing coverage through an eligible employer sponsored plan will no longer be affordable or provide minimum value for his or her employer's upcoming Plan Year to access this special enrollment period prior to the end of his or her coverage through such eligible employer-sponsored plan;
- A Qualified Individual or enrollee gains access to new QDPs as a result of a permanent move; and
- A Qualified Individual or enrollee demonstrates to the Exchange, in accordance with HHS guidelines, that the individual meets other exceptional circumstances as the Exchange may provide.

Termination of Coverage

Your coverage and that of your Eligible Dependents will end on the earliest of the following dates:

- 1) The date determined by the Exchange as a result of you requesting termination with appropriate notice to the Exchange or the QDP;
- 2) The date you cease to be eligible;
- 3) QDP(For any covered Dependents), the day your Dependent ceases to be a Dependent, as defined in the Eligibility section of this booklet;
- 4) The last day of the month for which a premium has not been paid, subject to the grace periods; or
- 5) The date the policy ends.

Renewability

This policy will continue as long as your premiums are paid, subject to the grace period and you continue to be a Qualified Individual as determined by the Exchange.

We reserve the right to terminate the policy, in whole or in part, by giving you written notice at least 31 days advance notice. Termination of the policy will result in loss of coverage for all covered persons. If the policy is terminated, the rights of the covered persons are limited to covered services incurred before termination. Termination is without prejudice to any claim originating while the policy was in force.

We will only increase the premiums or decrease the benefits provided in this policy effective with a 31 days prior written notice.

Covered Fees

Under this Policy, YOU ARE FREE TO GO TO THE DENTIST OF YOUR CHOICE. You may have additional out-of-pocket costs if your dentist is not a Delta Dental Premier® Delta Dental PPO™ dentist with Delta Dental. This payment difference could result in some financial liability to you. The amount is dependent on the nonparticipating dentist's charges in relation to the amount determined by Delta Dental.

TO AVOID ANY MISUNDERSTANDING OF BENEFIT PAYMENT AMOUNTS, ASK YOUR DENTIST ABOUT HIS OR HER NETWORK PARTICIPATION STATUS WITHIN YOUR DELTA DENTAL PREMIER® AND DELTA DENTAL PPO™ NETWORKS PRIOR TO RECEIVING DENTAL CARE.

Claim Payments

PAYMENTS ARE MADE BY DELTA DENTAL ONLY WHEN THE COVERED DENTAL PROCEDURES HAVE BEEN COMPLETED. DELTA DENTAL MAY REQUIRE ADDITIONAL INFORMATION FROM YOU OR YOUR PROVIDER BEFORE A CLAIM CAN BE CONSIDERED COMPLETE AND READY FOR PROCESSING. IN ORDER TO PROPERLY PROCESS A CLAIM, DELTA DENTAL MAY BE REQUIRED TO ADD AN ADMINISTRATIVE POLICY LINE TO THE CLAIM. DUPLICATE CLAIMS PREVIOUSLY PROCESSED WILL BE DENIED.

Delta Dental Premier® Dentists:

Claim payments are based on Delta Dental's Payment Obligation which is the highest fee amount Delta Dental approves for dental services provided by a Delta Dental Premier® dentist to a Delta Dental covered patient. Delta Dental Payment Obligation for Delta Dental Premier® dentists is the lesser of: (1) The fee pre-filed by the dentist with their Delta Dental organization; (2) The Maximum Amount Payable as determined by Delta Dental; (3) The fee charged or accepted as payment in full by the Delta Dental Premier® dentist regardless of the amount charged. All Plan Payment Obligations are determined prior to the calculation of any patient co- payments, coinsurance and deductibles as provided under the patient's Delta Dental Policy.

Delta Dental PPO™ Dentists:

Claim payments are based on Delta Dental's Payment Obligation which is the highest fee amount Delta Dental approves for dental services provided by a Delta Dental PPO™ dentist to a Delta Dental covered patient. Delta Dental Payment Obligation for Delta Dental PPO™ dentists is the lesser of: (1) The fee pre-filed by the dentist with their Delta Dental organization; (2) The Delta Dental PPO™ Maximum Amount Payable as determined by Delta Dental; (3) The fee charged or accepted as payment in full by the Delta Dental PPO™ dentist regardless of the amount charged. All Plan Payment Obligations are determined prior to the calculation of any patient co- payments, coinsurance and deductibles as provided under the patient's Delta Dental Policy.

Nonparticipating Dentists:

Claim payments are based on Delta Dental's Payment Obligation, which for nonparticipating dentists is the treating dentist's submitted charge or the amount established solely by Delta Dental, whichever is less. Claim payments are sent directly to the Covered Person unless benefits are authorized by the Covered Person to be paid directly to the provider.

THE COVERED PERSON IS RESPONSIBLE FOR ALL TREATMENT CHARGES MADE BY THE NONPARTICIPATING DENTIST.

Claim and Appeal Procedures

Proof of Loss

All claims should be submitted within 12 months of the date of service. If you do not submit a claim within the time required, it will not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time. You must submit your proof as soon as reasonably possible and in no event, except in the absence of legal capacity, later than one year from the time proof is otherwise required.

Initial Claim Determinations

An initial benefit determination on your claim or an initial request for additional information will be made within 15 days after receipt of your claim. You will receive written notice of this benefit determination if you have any liability or request for additional information. If the extension is needed for us to get additional information from you, the notice will describe the specific information we need. You will have 45 days from the receipt of the notice to provide the information. Without complete information, your claim will be denied.

Appeals

In the event that we deny a claim in whole or in part, you have a right to a full and fair review. Your request to review a claim must be in writing and submitted to us within 180 days from the claim denial. We will make a benefit determination within 60 days following receipt of your appeal.

Your appeal must include your name, your identification number, Plan number, claim number, and dentist's name as shown on the Explanation of Benefits. Send your appeal to:

Delta Dental of Minnesota
Attention: Professional Services Appeals and Grievances
PO Box 30416
Lansing, MI 48909

You may submit written comments, documents, or other information that supports your appeal. Upon request, you will also be given reasonable access to and copies of all relevant records used in making the decision. These records will be given to you at no charge. The review will take into account all information about the denied or reduced claim, even if the information was not present or available at the time of the initial determination. In this review, the initial determination will not be given any weight.

The review will be done by someone different from the original decision-makers and will not take into consideration any prior decisions made in your claim. Because all decisions are based on a preset schedule of dental services that are covered by your plan, claims are not reviewed to determine dental necessity or appropriateness. If we need to consult a professional to determine if a service is covered under your plan's schedule of benefits, we will consult with a dental professional who has appropriate training and experience. This professional will not be the same person who was involved in the initial adverse benefit determination (nor a subordinate of any such person). We will identify any dental professional whose advice was obtained on our behalf, even if the advice was not used in making the benefit determination. If, after review, we continue to deny the claim, you will be notified in writing.

Authorized Representative

You may authorize another person to represent you and with whom you want us to communicate regarding specific claims or an appeal. However, no authorization is required for your treating dentist to make a claim or appeal on your behalf. The authorization form must be in writing, signed by you, and include all the information required in our Authorized Representative form. This form is available at our web site or by calling Customer Service. You can revoke the authorized representative at any time, and you can authorize only one person as your representative at a time.

GENERAL INFORMATION

Health Plan Issuer Involvement

Delta Dental is the health plan issuer involved with Delta Dental. Its address is stated on the back cover of this booklet. The benefits under Delta Dental are guaranteed by Delta Dental under the Contract. Delta Dental will review claims incurred and submitted for enrollees under prior coverage with Delta Dental in determining benefits under this coverage.

Other than eligibility determinations, which are made by Delta Dental Sponsor, Delta Dental of Minnesota has the sole authority, discretion and responsibility to interpret and apply the terms of this Policy and to determine all factual and legal questions under the Policy, including the amount of benefits to be paid under the insurance contract, if any.

Privacy Notice

Delta Dental of Minnesota will not disclose non-public personal financial or health information concerning persons covered under our dental benefit plans to non-affiliated third parties except as permitted by law or required to adjudicate claims submitted for dental services provided to persons covered under our dental benefit plans.

How to Find a Participating Dentist

A real-time listing of participating dentists is available in an interactive directory at Delta Dental's user friendly web site, www.DeltaDentalMN.org. Delta Dental highly recommends use of the web site for the most accurate network information.

To search for and verify the status of participating providers, select "Find a Dentist" on the www.DeltaDentalMN.org/find-a-dentist home page. Select the Product or Network in the drop-down menu, and search by city and state, ZIP code or provider or clinic name. If your dentist does not participate in the network, you may continue to use that dentist, although you will share more of the cost of your care and could be responsible for dental charges up to the dentist's full billed amount.

If you do not have Internet access, you can also find a network dentist or verify that your current dentist is in the network by:

- Asking the dental office representative when you call to schedule a dentist appointment.
- Contacting our Customer Service Center at (855) 643-3582. Customer Service hours are 7a.m. - 7 p.m. CT, Monday through Friday.

Using Your Dental Policy

Dentists who participate with Delta Dental under this Policy are independent contractors. The relationship between you and the participating dentist you select to provide your dental services is strictly that of provider and patient. Delta Dental cannot and does not make any representations as to the quality of treatment outcomes of individual dentists, nor recommends that a particular dentist be consulted for professional care.

All claims should be submitted within 12 months of the date of service.

If your dentist is a participating dentist, the claim form will be available at the dentist's office. If your dentist is nonparticipating, claim forms are available by calling (855) 643-3582.

Delta Dental also accepts the standard American Dental Association (ADA) claim form used by most dentists.

The dental office will file the claim form with Delta Dental; however, you may be required to assist in completing the patient information portion on the form (Items 1 through 14).

During your first dental appointment, it is very important to advise your dentist of the following information:

- * YOUR DELTA DENTAL GROUP NUMBER
- * YOUR IDENTIFICATION NUMBER (your Dependents must use **YOUR** identification number)
- * YOUR BIRTHDAY AND THE BIRTH DATES OF YOUR SPOUSE AND DEPENDENT CHILDREN
