

Delta Dental PPO Plus Premier™

Delta Dental is proud to offer both Delta Dental PPO™ and Delta Dental Premier® networks: the unique dual network known as Delta Dental PPO Plus Premier™. This gives members the opportunity to choose from a broader selection of dentists. No other national dental carrier can match the breadth of our network or the value we provide.

Delta Dental PPO™

Delta Dental PPO™ is one of the nation's largest dental networks with more than 113,500 in-network dentists. This network is available to any employer group and offers additional savings to patients with options for enhanced benefits and lower out-of-pocket costs.

Delta Dental Premier®

Delta Dental Premier® is the largest dental network in the country with more than 152,300 in-network dentists. In fact, more than four-out-of-five dentists in the nation have agreed to accept Delta Dental's pre-negotiated fees for dental procedures.

There are advantages—and cost savings—for seeking treatment from a Delta Dental in-network dentist:

- The dentist has agreed to accept our allowable charge as payment in full for covered dental care. An in-network dentist is not allowed to bill more than our allowable charge.
- A Delta Dental in-network dentist will also file the claim directly with us. We will make payment directly to the in-network dentist and you will receive an explanation of benefits detailing your financial responsibility for any deductible or coinsurance amounts.

If dental services are received from an out-of-network dentist:

Reimbursement for the services will be paid directly to you, and you are responsible for paying your dentist. The allowances for services you receive from an out-of-network dentist may be significantly less than what Delta Dental would pay a Delta Dental in-network dentist. You may pay more out of pocket and will be responsible for the full-billed amount.

How to verify that your dentist is a Delta Dental in-network dentist:

By checking with your dentist or Delta Dental Customer Service (see the back of your ID card for the phone number), you are assured that your dentist is currently participating in the network. Consult your benefit booklet for more information regarding your specific plan design. We suggest you verify a dentist's participation status with Delta Dental or your dental office before each appointment.

It's easy to see if your dentist participates in the Delta Dental PPO™ or Delta Dental Premier® network. Use our Find a Dentist tool at [DeltaDentalMN.org](https://www.DeltaDentalMN.org) or call Customer Service at 1-800-448-3815.
